The Exodus Richard Elliott Friedman 2017-09-12 The Exodus has become a core tradition of Western civilization. Millions read it, retell it, and celebrate it. But did it happen? Biblical scholars, Egyptologists, archaeologists, historians, literary scholars, anthropologists, and filmmakers are drawn to it. Unable to find physical evidence until now, many archaeologists and scholars claim this mass migration is just a story, not history. Others oppose this conclusion, defending the biblical account. Like a detective on an intricate case no one has yet solved, pioneering Bible scholar and bestselling author of *Who Wrote the Bible?* Richard Elliott Friedman cuts through the noise — the serious studies and the wild theories — merging new findings with new insight. From a spectrum of disciplines, state-of-the-art archeological breakthroughs, and fresh discoveries within scripture, he brings real evidence of a historical basis for the exodus — the history behind the story. The biblical account of millions fleeing Egypt may be an exaggeration, but the exodus itself is not a myth. Friedman does not stop there. Known for his ability to make Bible scholarship accessible to readers, Friedman proceeds to reveal how much is at stake when we explore the historicity of the exodus. The implications, he writes, are monumental. We learn that it became the starting-point of the formation of monotheism, the defining concept of Judaism, Christianity, and Islam. Moreover, we learn that it precipitated the foundational ethic of loving one's neighbors — including strangers — as oneself. He concludes, the actual exodus was the cradle of global values of compassion and equal rights today.

Cambridge O Level Biology D. G. Mackean 2021-05-25 We are working with Cambridge Assessment International Education to gain endorsement for this forthcoming title.

Looptail Bruce Tip 2014-04-03 Looptail is Bruce Poon Tip's extraordinary first-person account of his entrepreneurial instincts to start and develop G Adventures, the highly successful international travel adventure company - and along the way he reveals his unusual management secrets that not only keep his employees fully engaged and energized but also keep his customers extremely happy. His unique approach has worked in marvellous ways. Poon Tip has created an entirely new and refreshing approach to management. For example, there is no CEO at G Adventures - instead, every employee is a CEO, empowered to make instantaneous decisions to help clients on the spot. But while there's no CEO, there is a company Mayor, who take the pulse of corporate morale. There's no HR department - but there is a Talent Agency and company Culture Club. It hasn't always been easy to try to balance his desire for a socially responsible company along with the desire to generate profits. But thanks to Poon Tip's vision, G Adventures has flourished and has done its best to maintain its looptail approach. In short, it's been an extraordinary ride, and in many ways G Adventures is at the vanguard of what modern-day companies are beginning to look like.

A Frequency Dictionary of Portuguese Mark Davies 2007-11-29 An invaluable tool for learners of Portuguese, this Frequency Dictionary provides a list of the 5000 most commonly used words in the language. Based on a twenty-million-word collection of Portuguese (taken from both Portuguese and Brazilian sources), which includes both written and spoken material, this dictionary provides detailed information for each of the 5000 entries, including the English equivalent, a sample sentence, and an indication of register and dialect variation. Users can access the top 5000 words either through the main frequency listing or through an alphabetical index. Throughout the frequency listing there are also thirty thematically-organized 'boxed' lists of the top words from a variety of key topics such as sports, weather, clothing and relations. An engaging and highly useful resource, A Frequency Dictionary of Portuguese will enable students of all levels to get the most out of their study of Portuguese vocabulary.
