Hello Now Jenny Valentine 2020-03-31 From Carnegie Medal finalist Jenny Valentine comes a bold new story about the boundlessness of love and second chances, perfect for fans of David Levithan's Every Day. Jude doesn't believe in love, or magic. Life is little more than ordinary. That is, until Jude's mother loses her job and moves them to a little town by the sea to live with Henry Lake--an eccentric old man with rooms to rent. Henry is odd, the town is dull, and worst of all, Jude feels out of place and alone. So when Novo turns up in the house across the street, dressed all in black and looking unbearably handsome, Jude's summer takes an immediate turn for the better. But Novo isn't all that he seems to be--or maybe he's more than Jude can possibly understand. Novo is pure magic--someone who can bend and stretch the bounds of time. Someone who wakes up in different places and at different points in history with utter regularity. He knows that each Now is fleeting, that each moment is only worth the energy it expends on itself, and that each experience he has will be lost to him before long. But Jude and Novo form a bond that shifts reality for both of them. Jude begins to question what forever really means--only to find out that Novo knows that forever isn't real. And when things go horribly wrong, Jude and Novo are faced with an impossible question that may change both of their lives irreparably--what is worth sacrificing for love? A stunningly written, compelling exploration of the universality of love--and what it means to live in the moment--that quite literally defies both logic and time. A love story without borders that reflects the best of our modern world. Praise for Hello Now: * "Babbitt's Tuck Everlasting revisioned as a passionate YA love story, this is an exquisitely told romantic fantasy, golden yet lacerating." --BCCB, STARRED REVIEW

No one but Twitch the squirrel notices when the boy runs out into the snow. . . . Or when he trips and hurts his ankle. Homeland Directive, The Robert Venditti 2012 A NEW YORK TIMES BESTSELLER! Named one of the year's best graphic novels by CNN, Complex, IFC, School Library Journal, Library Journal, and USA Today! "A great, paranoid read for the modern age."-- Cory Doctorow, Boing Boing "Venditti's cat-mouse thriller demands edge-of-your-seat attention while raising serious questions about terrorism, personal privacy, and government responsibility ... excellent writing and plotting, and dead suitable art."-- Library Journal "In exploring the nature of the relation between the individual, society and the state, one would anticipate The Homeland Directive to elevate both the thriller genre and the comics medium. Venditti delivers admirably on both counts."-- Dr. Shatley Q, PopMatters "An addictive page-turner that feels like an edge-of-your-seat theater experience. Huddleston's art puts the focus where it needs to be to writing every drop of tension from the story, and Venditti's script shows that he doesn't need the sci-fi elements of his earlier work to craft a fascinating, fast-paced thriller."-- Rick Marshall, MTV Splash Page "The conspiracy at the heart of this superbly paced thriller makes the Illuminati and the New World Order look like rank amateurs."--

Garrett Martin, Paste Magazine "An exceptionally good graphic novel for the moment... with a sophisticated sense of how government works."-- Alyssa Rosenberg, ThinkProgress "It's unlikely you'll find a book that looks as good as The Homeland Directive this year."-- Graeme McMillan, Robot 6 "Pulse-pounding... well-characterized, the plotting is tight, and the stakes are high. Mike Huddleston's art flips from pen and ink to painterly, but consistently captures the right mood and inspires the gritting of teeth."-- Jeremy Nisen, Under the Radar A new thriller from the author of the New York Times bestseller The Surrogates! As a
