**MacTrumpian** Doescher 2019-10-01 For readers craving a humorous antidote to the sound and the fury of American politics, this clever satire, written in iambic pentameter in the style of Shakespeare, wittily fictionalizes the last two years of the Trump administration. No one thought that MacTrump—Lord of MacTrump Towers, Son of New York—would ascend to the highest position in the kingdom. Yet with the help of his unhappy but dutiful wife Lucretia and his clever daughter Dame Desdivanka, and his coterie of advisers, MacTrump is comfortably ensconced in the White Hold as President of the United Fiefdoms, free to make proclamations to his subjects through his favorite messenger, the eunuch. The Democrats, mourning the loss of their cherished leader O'Bama, won't give up without a fight. They still remember the disastrous reign of George the Lesser, and they can see Putain's dark influence on MacTrump. Their goal is to overthrow MacTrump, tasked with investigating the plot that empowered MacTrump's rise to the throne. As Desdivanka schemes to overthrow her father's councilors, and as Donnison and Ericson—trapped in their own Rosencrantz and Guildenstern—prove useless to their father, MacTrump soon realizes he has no true allies. Will he be able to hold on to his throne? Only time will tell in this tragicomic tale of ambition, greed, and royal ineptitude.
